

Word Search Puzzle

This grid of letters conceals words lying in different directions: forward, backward, up, down, or diagonally, but always in a straight line. The words to find and circle are listed below the grid - cross them off once you've circled them. Many words overlap. When you've crossed off all the words in the list below, there will be letters that haven't yet been circled. Gather those letters - from the top, left to right, and they will spell out the 'Last Word' answer for this puzzle.

SURREY SIX TRIAL

Solution: 12 letters

This is dedicated to Ed Schellenberg and Chris Mohan, innocent bystanders killed in a gang-related slaying in Surrey, B.C., Canada on October 19, 2007 - one of the most heinous murders in B.C. history. Three of the accused gangsters began trial proceedings in Vancouver, B.C. on September 30, 2013. Two months into the trial, gang leader Michael Le entered a surprise guilty plea to conspiracy. Supreme Court Justice Catherine Wedge handed down her verdict on October 2, 2014.
